Project

***Campus Connect**: The All-in-One Social Media Platform for Students*

Co-founder, Market Researcher, Marketing Strategist 09/2023 - Present

- Created a social media platform attracting over 300 users out of 2000 students on campus, connecting local Chinese and international students in China to enhance online communication and engagement.
- Conducted a comparative analysis between the social networking practice of DKU students and those of Vietnamese traditional universities.
- Designed surveys and analyzed the data to identify key trends in DKU students' social media usage
- Conducted in-depth interviews to gather insights into the participants' experiences.
- Achieved a 4000 USD startup funding from the Center for the Study of Contemporary China (CSCC), DKU Signature Work Office, and DKU Innovation and Incubator Lab.
- Presented at the Humanities Research Center 2025 Spring Conference and the Signature Work Conference

Cultural Diffusion in Online Spaces

Research Scholar, Research Assistant 05/2023 - 01/2024

- Recruited and interviewed 11 interviewees from around the world on the topic of K-pop and its impact on fans' lives.
- Did digital ethnography research, including observation of fans' activities on online spaces, and did the transcripts.

Certificates and Awards

First Place in DKU iCreate Club "Shot on iPhone" Inter-Universities Competition

Professional Experience

Bellamy's Organic – Mengniu Dairy 08/2025 – Present
Brand Specialist

- Assisted in planning and executing localized marketing campaigns, coordinating closely with regional teams (Australia, China, Vietnam) to align creative assets and messaging.
- Managed TikTok operations for the Vietnam market, including content moderation and performance tracking for **85+ KOCs and 10+ KOLs** per month, providing insights to optimize campaign results.
- Conducted social media and competitor research to identify trends, audience behavior shifts, and new marketing opportunities.
- Coordinated with local partners and agencies (advertising, agency, KOLs) to gather materials, clarify requirements, and ensure smooth campaign execution.
- Supported on-ground activations and **5+ offline events/exhibitions**, handling vendor coordination, logistics, and onsite operations.

- Produced post-event and post-campaign reports, summarizing data and recommending next-step improvements.
- Worked cross-functionally with global marketing and sales teams to ensure marketing materials and product information were accurate and market-appropriate.
- Assisted in creating localized marketing content and ideas for videos, press-style materials, and promotional assets.

Cerberus Marketing 05/2024 - 08/2024
Marketing Executive Intern

- Engaged with international clients such as PennEngineering, Dilma, and Michael Page to develop potential strategies and coordinate services, including liaising with Key Opinion Leaders (KOLs) and conducting consumer insight research.
- Planned, executed, and hosted the second annual think tank event with 50 participants and 10 guest speakers on marketing in China. Managed the content creation, design, and updates for the company's social media platforms, including Instagram and LinkedIn.
- Updated the company's blog bi-weekly with articles on marketing tips in China and company activities.

Leadership and Involvement

Duke Kunshan Campus Engagement Arts Team 01/2024 - 04/2024
Visual Arts & Excursion Assistant

- Planned, implemented and evaluated annual campus-wide arts events, especially for the Arts and Music Festival, including exhibitions and live performances of bands and dance crews.
- Forged relationships between DKU and artists and other cultural organizations by constant communication and school tours.
- Provided administrative and logistical support to staff team members.

Office of Student Affairs - Residence Life Department at DKU
Learning Community Research Assistant (LCRA) 01/2024 - 06/2025

- Implemented events for first-year students on the theme of Wellness.
- Facilitated educational events for the faculty supervisor of Wellness residence hall.
- Engaged with students individually, helping them set academic and personal goals.

Resident Assistant (RA)

- Communicate and enforce policies and Residence Life regulations to students.
- Be accessible to students and their concerns through regular staff/student contact, acting as a referral agent when appropriate.
- Develop and host events to connect students and create a space for living, learning, and leading.
- Mediate student conflicts and arrange roommate living agreements when necessary.
